

THE GRINDER[®]

CARE AND MAINTENANCE

THE GRINDER is an electronically complex machine.

Please use caution when filling/draining water.

Always use on a flat, even surface.

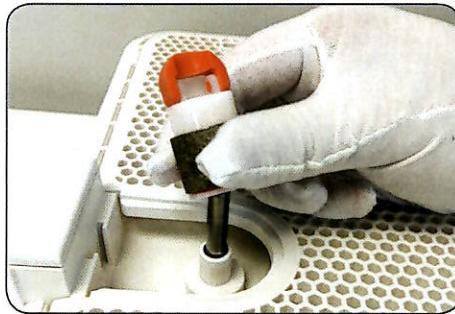

Please read to ensure proper use and warranty validity.

DISASSEMBLY

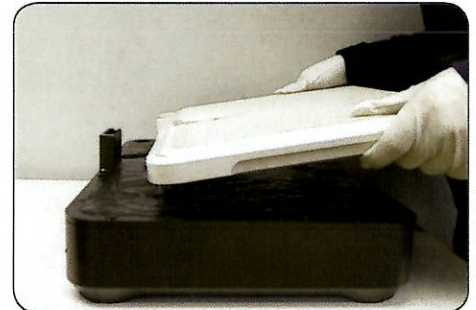

Remove grinder bit before lifting **Removable Water Tray**.

Caution: DO NOT CARRY GRINDER TO SINK.

REMOVABLE WATER TRAY

THE GRINDER is equipped with a **Removable Water Tray**. Detach the tray **straight up** and level.

TO EMPTY WATER FROM TRAY

Move **ONLY** the **Removable Water Tray** to the sink to drain water and clean.

CLEANING OF MOTOR HOUSING

To clean THE GRINDER'S **Motor Housing**, use a damp cloth and wipe as needed.

Caution: NEVER PLACE MOTOR HOUSING IN SINK.
